

# THE ORIGIN OF LBH3 "FOUND 'ER BALLS"

Version: 15 January 2014

Setting: Zapata's house in Torrance

LBH3 Bored meeting: Mon, Dec 9, 1985

Skit begins after we acknowledge that the evening is dedicated to the Founders—Jock Eject and Zapata. A toast will be given in their honor. The following is a re-enactment of how the evening got its unique name. Let's introduce the players.

## Introduction

**Zapata:** Hello, I'm Zapata. I'm a Founder and GM of the Long Beach Hash and currently one of the Joint Masters. As you can see, I'm an overweight but very sexy Mexican. I absolutely hate running, and I can tolerate beer...but I'm a Hasher mainly because of the chicks.

**Async:** I'm Async. I'm the On Sec. I handle the database and the compiling and printing of the Snooze. I'm the brains of this outfit, and I'm married to Mr. Spock. I am presiding over this meeting. A special topic tonight will be the Long Beach Hash's first annual party.

**Alouette:** I'm Alouette. I'm the Hash Cash. I take care of the stuff behind the scenes, and will be taking minutes of this meeting. I've been dating this sexy new guy, Wild Bill, for three months.

**Go Go Dancer:** I'm Go Go Dancer. I think Zapata is really hot - and I think he likes me, too.

**Wild Bill:** I'm Wild Bill. I started Hashing last year while working in Malaysia, and looked up the Long Beach Hash when I returned to California. I've been dating Alouette for...a few weeks (I think). I heard Long Beach is having an annual party, and I thought I'd let them know how we did it "back in Penang".

**Suteki Buns:** I'm Suteki Buns. That means "Beautiful Buns" in Japanese. I don't know why they named me that. Jock and I are the Long Beach Trailmasters. I love to help out with things like parties. And, I've never met a Hasher Boy I didn't like!

**MC:** We now join the Bored Meeting in progress, just after most all of the routine business has been completed.

Suteki: Hey, look at these cool bumper stickers we had made up. They say "Try Hashing - you might like it?" You think Fruit of the Loom might like them?

Zapata: Yeah, only Fruit will like it. But then again it just might promote attendance - as long as I don't have to put it on my car.

Async: All right, everyone - what else is on the agenda?

Suteki: Jock was telling me about an event called an "AGM" and thinks we need to have one for LBH3.

GO GO: Just what is an AGM?

Suteki: It stands for "Annual General Meeting." It's a dress-up affair for Hashers.

Zapata: Can we take a break here, I'm running out of Beer. (to Go Go he says:) Hey Hon, could you get me a brewski?

Go GO: Sure, I'll be right back. (She hustles off)

As soon as Go Go leaves the room Zapata goes over to Suteki.

Zapata: So, Suteki you doing anything this Saturday night? Want to go to a movie? Back to the Future is playing.

Suteki: I thought you and Go Go were an item.---(Zapata shrugs, laughs a little)

WB: Speaking of beer---Alouette??

Alouette: Are your legs broke? Get your own beer and while you're at it—get me one too.

Suteki: Oh Alouette---I'll get you a beer, Wild Bill.

WB: Alouette and I just got back from Philly, where we attended their AGM. Only they called it "Philly H3 Yearly Meeting". They opened the meeting with a toast - and everybody threw toast at the Grand Master.

Async: So...we want to put on a Black tie event, like a fancy Ball. Mr Spock would like that. It might get me out of the Dog house for hashing every night of the week.

Zapata: And all the girls will get dressed up? I have some great ideas from this Fredrick's catalog. (Go GO tears the magazine out of his hands in disgust).

WB: We had something similar "back in Penang". White dinner jackets, fancy evening gowns, dinner, music, dancing. It was a blast.

Async to Go Go: Are there any more beers in the cooler?

Go Go: You bet! Do you want me to get you one?

Async: Please.

WB: Get me one too..Please.

Alouette; Philly also thanked the outgoing committee for their help in the past year, and announced their new committee. They gave out little gifts to prominent members.

Zapata: I've got an idea - let's make up a bunch of silly awards. Um, um, things like Most Promiscuous, Best Legs, Best Buns...can you see where I'm going with this?

Suteki: We could also give some like Biggest Whiner, Sleaziest Hasher...

Wild Bill: Both Male and Female!

Async: We should also give awards for the trails themselves - things like Best Trail, Worst Trail, Best ON ON, Worst ON ON...

Alouette: Best writeup, Best Dressed, Worst Dressed

Suteki: How about Most Deserved Hashit?

Zapata: There'll be a lot of competition for that one!

Aysnc: OK - so just about everybody gets an award. What else?

WB: Well, "back in Penang", they tried to keep it cheap so that everyone could afford to come. I gotta be sure to tell Fruit about it - he's always grateful to hear how we did things over there.

Alouette: Cheap -That's where I come in. I know of a Hall right around the corner from Thirsty Isle on Carson in Long Beach. It's called the Galley. I can arrange for a catered dinner.

GO GO: I've got a question: At the Galley, are the tables going to be round or square?

Async: Respectfully, GO GO, why the fuck does that matter?

GO GO: I don't know; I'll have to think about it...

Alouette: Hey, it's also right next to the Pussy Cat theatre so if the guys need some alternative entertainment.....

All the guys: All right! Yeah, yeah...

Async: OK - Down, boys! Sounds like we're set. Is there anything else?

Suteki: Yes. You know, calling it "AGM" sounds kinda stupid. It just doesn't have the pizzazz to make me want to come. Why don't we call it something else?

Async: Well, we could honor the Founders by calling it the Founders' Ball.

GO GO: That's close, but still a little bit lame.

Suteki: Hey, I'm single, and there's a lot of us single girls out there. Guess what? We're looking for "Balls," and I'll bet we find some that night! How about calling it "Found Her Balls"?

Everyone: Yeah, that's not bad, I kinda like it, pretty cool...

WB: Let's combine both, and call it "Found'er Balls" with an apostrophe?

Everyone: Yup, that's it - let's go with it!

Alouette: Now we've agreed on that, what else can we do with that theme?

Suteki: I can make up a bunch of balls to give to people when they arrive. They can pin them on like corsages. I can make big ones for the Founders and GMs and little ones for everybody else...

Zapata: Yeah, well make some really big ones for me!!

Everyone toasts, calls "On Out" and exits the stage.
