

Who Slept With

Big Pink

1999

Nippleschnitzel

Big Pink was originally given to me as a joke birthday present for my 30th Birthday from **3 ½ Floppy Dick** and **HomoSaxual**. My party was at an Italian restaurant. My parents and my boy friend's parents were there along with a bunch of other hashers. **3 ½** and **Homo** arrived late with a big sloppily wrapped gift. Their excuse for being late was because they were shopping for my birthday present. When I opened their gift, it was all folded up in the box. I couldn't tell what it was so I pulled it out of the box and out sprung...**Big Pink!!** Thankfully everyone in the restaurant, including my parents, got a good laugh. The next day was the Hash and I decided the Hash would be a great home for Big Pink.. So, after down downs I gave it to one of the GM's and told him to do what he wanted with it. Although I donated Big Pink, I never received the Big Pink award.

2000 Alouette

Big Pink was given to me around Jan/Feb 2000. Everyone knew that **Wild Bill** took an overseas assignment in Portugal for 6 months. He was there March thru July. I would bring **Big Pink** to the hash dressed in **WB** attire. **Big Pink** made his first Snooze appearance May 25, 2000 (picture right). When **Wild Bill** came back from overseas he said we just can't keep him. So, later that month I passed him along to **Hold the Pickle**. She just got engaged to **Little Whopper**.

2000 Hold the Pickle 6-9 Split

Hold the Pickle had **Big Pink** for only 2 weeks. **Little Whopper** was jealous and wouldn't allow **Big Pink** in the house. So, **Pickle** handed **Big Pink** to **GM Double Entry**

Big Pink was awarded to **6-9 Split**

Pokey brings **Big Pink** To Found'er Balls

Later that year **Big Pink** is left alone while **Pokey** GM's. **Big Pink** is furiously attacked by **Sparky** the dog. Several hashers run to **Big Pinks** rescue.

When it came time to pass on **Big Pink**, **Felacial** had put together a power point presentation depicting her year with **Big Pink**. The slideshow had the music to "Me and my Best Friend."

4 N Lay

I got **Big Pink** the same year I got the Toilet seat from Betty Ford and the same time I got teacher of the month. **Big Pink**, unlike me, stayed in the closet with the toilet seat for a year. The night I was to give him away I remember I was waiting for the elevator with a civilian couple. When the doors opened they said you take this alone, you may need the space. When I exited the elevator the people in the lobby looked horrified and took giant steps back like I had a machine gun. I truly didn't know how powerful a Big dick really is.

2006

Free Samples

Free Samples dusted off **Big Pink** and faithfully brought him to the hash dressed in a different outfit each month of the year. **Big Pink** was happy to be away from the dust bunnies.

2007

Kammanawanaleia

Pink and I were inseparable for a year. Big Pink rode shotgun with me all the time. Pink was a little furnace and kept me warm at night. We hashed together, slept together, walked together, danced together made friends together. I fought off harriets all the time and if they got their hands on him I would have to claw him back. Sometimes he came back with bruises.

Just remember that Big Pink is a serial dater. He will move on for a twinkle in the eye. He does have great taste in women though.

I miss you big guy, stop by for a beer real soon.

Venus de Penis

I enjoyed my time with **Big Pink**, especially since he wasn't embarrassed to go along with the various costumes I insisted he wear. Some of my favorites included his tuxedo for Found'ers one year. His red dress for San Diego Red Dress, his blue dress (for the blew dress run), and of course his little lacy number for the lingerie run. On On **Venus de Penis**

Likes em Stiff

Being fairly new to the Hash, I was at my first "Found'er Balls" when I was awarded the pleasure of **Big Pink** for the year. OH MY! at this time I didn't even know **Big Pink** existed. I was in shock and awe!!!! He was a **DIRTY DIRTY PENIS!!** Didn't know where he had been ?!?! I slept with him but wouldn't let him under the covers with me till he washed up. Promptly he washed up and was allowed then to CUM under the covers with me! Occasionally I let him CUM to hash and play. However, those hash bitches were REALLY HARD on him. It was beautiful while it lasted but it was time for him to CUM with **Just Jamit**. ON ON
